Protect Your Possessions With Safestor®

PROTECT YOUR GOODS IN STORAGE

Unforeseen and unexpected losses can happen as the result of natural disasters, weather, and other events beyond anyone's control. **Protecting your stored goods from such losses is your responsibility.** While precautions are taken to provide you with a safe and secure storage environment, your self-storage facility is not responsible for losses that may occur. For that reason, we offer Safestor® – an inexpensive, optional protection plan to safeguard your stored goods.

WHY SAFESTOR® ?

Because there's a need for such coverage. Often, customers who store their goods are moving and are between homes. As a result, they may not have a homeowner's, renter's or other insurance policy in effect to protect their stored goods. But even when they do, these policies often restrict the amount of coverage for goods stored away from the insured's residence.

Safestor was especially designed to provide self-storage customers with low-cost protection for their goods while in storage. Safestor is available in \$1,000, \$5,000, \$10,000 or \$15,000 coverage limits with a \$100 deductible for each covered loss.

WHAT DOES SAFESTOR® COVER?

Safestor covers you in case of loss or damage to your goods from all the major perils pictured below.

Exclusions: Safestor does not provide coverage for jewelry, furs, watches, money, securities, documents or motorized vehicles, nor is there coverage for any loss resulting from war, flood, vermin or climate conditions like rust or mildew. See the Certificate of Insurance for a full explanation of the coverages.

Burglary coverage applies only when there are visible signs of forced entry and is limited to 50% of the coverage amount.
